

National Natural Landmarks 2007 Photo Contest

Grab Your Cameras!

The National Park Service is proud to announce the Fourth Annual National Natural Landmarks Photo Contest. We are seeking photos that display the aesthetic, scientific and educational value of the nearly 600 designated Natural Landmarks nationwide.

The top 13 winning photos will be compiled into a 2008 calendar, showcasing the beauty and value of National Natural Landmarks. Last year over 7,000 calendars were printed and distributed nationwide. Special recognition will go to first, second and third-place winners.

Submit your entry in print, digital or slide format by **June 30, 2007**. Winners will be announced in September. Official entry rules and form are available at www.nature.nps.gov/nnl/photocontest or by calling (717) 334-5229.

The National Natural Landmarks Program encourages the conservation of outstanding examples of our country's natural history. It is the only natural areas program of national scope to recognize the best examples of biological and geological features in both public and private ownership. The National Park Service administers the program and supports Natural Landmark owners and managers in their conservation efforts.
